Scituate Health and Dental Access Program

The Scituate Health Alliance, in partnership with local healthcare providers and dental practices, is pleased to offer Primary Health Care and Dental Care to qualifying Scituate residents. Residents must meet low income guidelines be uninsured or underinsured (have no primary medical or dental coverage).

Our programs are for primary medical and dental care only. This program does not cover labs, imaging, specialists, extensive dental work, etc. **This program is not health insurance. Our program does not qualify under the Patient Protection and Affordable Care Act.**

Benefits of this program:

- Participating primary health care practice will provide one annual preventative exam (PE) for a $10 copay. The practice will also provide sick visits for the patient as necessary for a $10 copay.
- Participating dental practices will provide an annual cleaning (for a $10 copay) and exam (for a $10 copay). They will also provide additional visits for things such as pain relief for a $10 copay.
- **Any additional work that exceeds $300 a year will be the expense of the patient. Be sure to agree to any additional charges before work is done.**
- Participating practices agree to see established patients who are ill within two business days. They will also provide 24-hour telephone coverage of their practices.

It is important to have a relationship with a primary care provider and dental office. Having annual exams helps identify changes or problems early. Your healthcare provider can then establish a plan of care to promote better health.

**We ask that all vouchers are used by September 30, 2019**

**IMPORTANT NOTICE:** We can only accept a limited number of patients for 2019 due to funding. Please register early.

The Health Access Program does not qualify, certify or credential primary care practices and is not responsible for the quality or reliability of the primary care services offered by these independent primary care practices.
2019 Scituate Health and Dental Access Program Registration Form

Name: _________________________________  DOB: ___________  Age: _______

Address: _______________________________  Gender: Male □ Female □ Other: _______

______________________________________  Email Address: ___________________
